FRANCHESKA CLAIRE L. LOPEZ

INFORMATION TECHNOLOGY STUDENT | OJT APPLICANT

Nueva Ecija, Philippines | +63 961 915 6838 | lopezfrancheskaclaire@gmail.com | https://freayyyy.github.io/OJT-portfolio/

SUMMARY

BS Information Technology student with hands-on academic project experience in UI/UX design, web development, system analysis, and project documentation. Familiar with HTML, CSS, JavaScript, PHP, MySQL, and Figma. Experienced in analyzing user requirements, planning system workflows, and collaborating on web-based information systems. Seeking an OJT opportunity to apply technical and design skills while gaining practical industry experience.

EDUCATION

Bachelor of Science in Information Technology (Web System Development) — **2023 - Present**
Nueva Ecija University of Science and Technology — *Cabanatuan City, Nueva Ecija*

Science, Technology, Engineering, and Mathematics (STEM) — **2021 - 2023**
Bongabon Senior High School — *Bongabon, Nueva Ecija*

PROJECTS

CitiLife Connect: A Web-Based Radiology Information System with Centralized Imaging Repository and Real-Time Patient Tracking — **Jan 2026 - Oct 2026**
Project Manager

- Coordinated project planning, task assignments, and documentation for a web-based radiology information system.
- Analyzed clinic workflows and user requirements to support patient tracking, radiology reporting, and coordination across branches.
- Coordinated functional, usability, performance, and security testing to evaluate system behavior and identify areas for improvement.

EReady: A Web-Based Barangay Supply Inventory and Management System — **November 2025**
Project Manager & System Feature Planning

- Managed project planning and feature mapping for a web-based inventory system.
- Analyzed supply data requirements, including storage tracking and expiration status.
- Designed digital workflows to improve record accessibility and supply monitoring efficiency.

Harvest Hotel Website Enhancement Project — **April - May 2025**
Project Manager, Documentation, & UI/UX Designer

- Managed project planning and documentation while coordinating the redesign and development of the Harvest Hotel website.
- Planned website features based on user needs and hotel services to address limitations of the existing website.
- Designed and improved the user interface and user experience using responsive design and usability principles.

Campus Care — **September - December 2024**
Project Manager & Documentation

- Documented system requirements and workflows for a clinic management system, including digital visit records and appointment scheduling.
- Planned features for health monitoring, clinic notifications, and official communication with professors and parents or guardians when follow-up was required.
- Coordinated project activities and maintained documentation to align system requirements with the needs of clinic staff and students.

SEMINARS & TRAININGS

- Database 101: Data Storage, SQL, and Query Optimization — 2026 | 2 hours
- Emerging IT Innovations — 2026 | 1 hour
- AI Tools 101: How to Use Google Gemini Like a Pro — 2026 | 1 hour

AWARDS & ACHIEVEMENTS

- Honor Society Member — Nueva Ecija University of Science and Technology | 2023–Present
- With Highest Honors — Bongabon Senior High School | 2023
- With High Honors — Bongabon National High School | 2021

SKILLS

Technical: HTML, CSS, JavaScript, PHP, MySQL, Figma, Canva
Software: Microsoft Word, PowerPoint, Excel
Core: Communication, Collaboration, Time Management, Adaptability, Project Coordination, and Documentation
